- ✓ Track order and shipping status*

* These features will be made available to you after verification

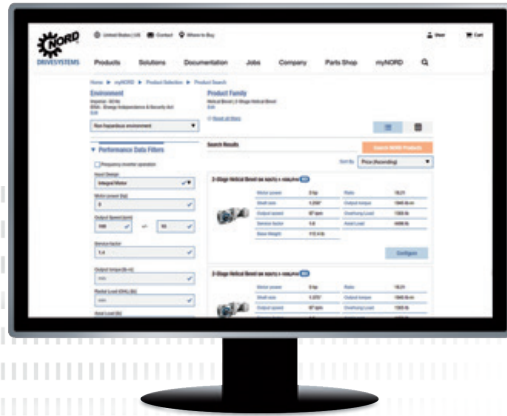

Maximize your time
 and productivity with
 myNORD online tools

Direct Model Number Configurator

- ▶ Configure products based on known requirements or a predetermined catalog selection
- ▶ Integrated product logic ensures only valid combinations are shown
- ▶ Tip texts and images help guide you through the configuration process
- ▶ Immediate visibility of pricing and model number changes with each click

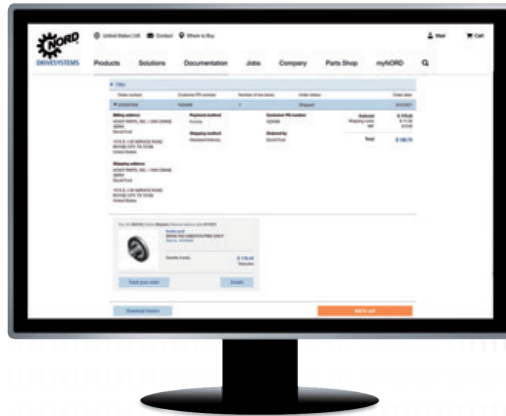

Product Search

- ▶ Specify performance and mechanical requirements to identify the ideal, most cost effective NORD drive solution
- ▶ Choose from one or multiple product families, then narrow your search by selecting your desired output speed, input design, service factor, output torque, and more

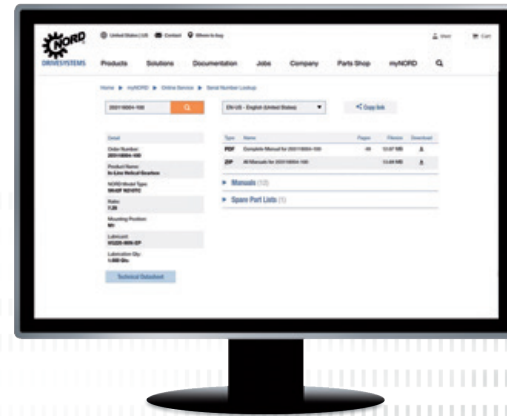

Quote Dashboard

- ▶ Download formal quote as PDF file
- ▶ Access to unpriced data sheet PDF
- ▶ Efficiently supports collaboration within your company and with NORD sales, engineering, and customer service staff
- ▶ Place orders directly from your quote dashboard. You can even use your own purchase order document

Order Manager

- ▶ Locate current order status through convenient search and filter options
- ▶ Download invoices and order-specific documentation such as installation guides, user manuals and spare parts schematics
- ▶ Order tracking numbers with direct links to shipping carriers' websites

Serial Number Lookup

- ▶ Quickly locate and quote replacement products
- ▶ Retrieve manuals and documentation for recent or past orders, as well as quotes obtained from sales and customer service
- ▶ Download manuals individually or as one PDF file with all relevant material
- ▶ Print documentation or forward as a link

Where to Buy

- ▶ Find your local sales, distribution, and service contacts
- ▶ Fast search by City or ZIP Code
- ▶ Easy-to-use interactive map
